

## **To the Legislative Assembly of Victoria**

*The Petition of residents of the City of Glen Eira and the City of Stonnington, draw to the attention of the Legislative Assembly the urgent need for a comprehensive Master Plan for the future development of the area around the Caulfield railway station, including the area known as the Phoenix Precinct, as a Recreation and Educational Transport Hub for Melbourne, whilst protecting the social, economic, and recreational environment.*

*The Petitioners therefore request the Legislative Assembly of Victoria to ensure that a co-ordinated Master Plan process is commenced; that the C60 Planning Amendment currently under consideration by Glen Eira council is suspended, and that a panel of stakeholders oversees the process. That this panel be headed by the Minister for Planning (or his representative), and consists of Councillors from Glen Eira and Stonnington Councils, Zagame, Monash University, Melbourne Racing Club, VATC, Caulfield Racecourse Trustees, and community representatives.*
